DELEGATE RESPONSIBILITIES—(HEA Policies #4)

A person elected to serve as a delegate to AEA or NEA or any association conference should be an active participant in at least five (5) association meetings. To be counted present a member should attend the entire meeting. It is the member's responsibility to inform the office manager or the designated attendance officer of their presence in order to assure documented attendance. The time period for attendance to be counted will begin the first Association meeting of the current school year and extend until the delegate election ballots are turned in. A member who has not attended the specified number of meetings will not be prevented from running for a delegate position. Upon receipt of voting ballots, the Credentials and Nominations Committee will inform the member of the percentage of money for which they will be eligible, if elected.

The funding for AEA and NEA Delegates shall be based on the available monies divided by the number of delegates. These funds will be prorated at the following rate to coincide with attendance at Association meetings.

5 meetings = 100% 4 meetings = 80% 3 meetings = 60% 2 meetings = 40% 1 meeting = 20% 0 meeting = 0%
