SICK LEAVE GUIDELINES

1. **Membership in Sick Leave Bank Required:** To donate or receive catastrophic sick leave days, the employee must be a member of the Sick Leave Bank (SLB).
2. **Prerequisite of Receipt of Days:** In accordance with the Code of Alabama, Section 16-22-9, when an SLB member or other family member or friend (see Code of Alabama, Section 16-18.1) is suffering a catastrophic illness injury, the member, upon depleting all sick leave and other earned leave, shall be eligible to receive sick leave days from other members of any sick leave bank to cover the period of time during which the employee cannot be at work. However, before receiving any catastrophic sick leave days from any other member, the beneficiary employee must have borrowed the maximum number of days allowed from the SLB (not to exceed 15 days). The beneficiary employee must use any sick leave days, personal leave days, and vacation days which are earned each month before utilizing donated days. **ANY REQUEST FOR CATASTROPHIC LEAVE SHALL BE MADE TO THE SLB THROUGH HEA. ANY PERSONAL CORRESPONDENCE IS STRICTLY PROHIBITED.**
3. **Terms and Definitions:** The employee receiving donated catastrophic sick leave days shall be known as the "beneficiary employee" and the employee donating catastrophic sick leave days shall be known as the "donor employee". The term catastrophic illness or injury shall be defined as required in Section 16-22-9, Code of Alabama 1975. A pregnancy or condition relating to childbirth is specifically included in the definition of a catastrophic illness, therefore, upon a doctor's signature and completion of the required form, a pregnancy or condition related to childbirth may fall within the parameters of a catastrophic illness.
4. **Repayment not Required:** The beneficiary employee shall not be required to repay the donated days to the sick leave bank for days used.
5. **Eligibility of Donor:** Any member of the Huntsville City Schools SLB or any other public education SLB in the state may donate sick leave days to the beneficiary employee.
6. **Limit of Days by Donor:** No employee may donate more than 30 sick leave days to the beneficiary employee (as required in Section 16-22-9, Code of Alabama 1975). The 30-day limitation is a permanent ongoing limitation, and not just per illness or per pregnancy.
7. **Application for Days:** A letter of request by the employee to receive a catastrophic sick leave donation is desirable, but in cases where the employee is physically unable or incapacitated, a letter of request by the member shall not be necessary; however, before donations to any beneficiary employee will be deposited into the sick leave account of the employee, certification of the illness by the employee's physician must be on file. Certification shall be by a licensed physician as required in Section 16-22-9 of the Code of Alabama of 1975. The SLB Committee shall authorize a standard form for certification by the physician. **ANY REQUEST FOR CATASTROPHIC LEAVE SHALL BE MADE**

TO THE SLB THROUGH HEA. ANY PERSONAL CORRESPONDENCE IS STRICTLY PROHIBITED.

- 8. Coordinator:** The SLB Committee may appoint a "Catastrophic Sick Leave Coordinator." If a coordinator is appointed, it shall be the responsibility of the Coordinator to make recommendations as to the number of days which a beneficiary employee may need to have donated and to monitor the situation with the beneficiary employee to assist the employee in receiving an adequate number of sick leave days for the illness, The Coordinator shall take care to monitor and ensure that no abuses will occur in the transfer of sick leave days due to catastrophic circumstances. The SLB Committee may appoint a member of the SLB as a Coordinator.
- 9. Voluntary Donations:** Donation of days to a beneficiary employee shall be solely at the discretion of the participating member of the SLB. An employee donating catastrophic sick leave days shall be clearly informed that the days so donated shall not be repaid if used by the beneficiary employee. However, any days donated for catastrophic purposes which are not used by the beneficiary employee shall revert to the employee making the donation. If donated days are partially, but not completely used, the days shall revert to the donating employees in a proportionate manner, odd days reverting by lot; however, the SLB Committee shall be the final authority in determining the reversion of days to the donors of unused days. Any such reversion of unused donated days shall not occur until the expiration of 30 days after the beneficiary employee has returned to work.
